home to the uk's largest refinery fawley is among the most at risk parts of the
country for petrochemical fires its fire service is vital to the area's infrastructure and
its firefighters must always be prepared for the first time the story of this fire station
and of the waterside's private and military fire brigades is told from establishment in
the early twentieth century through the development of the fire engine and
firefighting techniques to combating modern day terrorist threats fawley's
firefighters have witnessed it all this book looks at how the station and its crew now
reduced from full to part time staffing have evolved in the face of new dangers and

challenges
