powerfully posing questions of ethics ideology authorship and form documentary film has never been more popular than it is today edited by one of the leading british authorities in the field the documentary film book is an essential guide to current thinking on documentary film in a series of fascinating essays key international experts discuss the theory of documentary outline current understandings of its history from pre flaherty to the post griersonian world of digital i docs survey documentary production from africa to europe and from the

americas to asia consider documentaries by marginalised minority communities and assess its contribution to other disciplines and arts brought together here in one volume these scholars offer compelling evidence as to why over the last few decades documentary has come to the centre of screen studies

superhero films and comic book adaptations dominate contemporary hollywood filmmaking and it is not just the storylines of these blockbuster spectacles that have been influenced by comics the comic book medium itself has profoundly influenced how movies look and sound today as well as how viewers approach them as texts comic book film style explores how the unique conventions and formal structure of comic books have had a profound impact on film aesthetics so that the different representational abilities of comics and film are put on simultaneous display in a cinematic work with close readings of films including batman the movie american splendor superman hulk spider man 2 v for vendetta 300 scott pilgrim vs the world watchmen the losers and creepshow dru jeffries offers a new and more cogent definition of the comic book film as a stylistic approach rather than a genre repositioning the study of comic book films from adaptation and genre studies to formal stylistic analysis he discusses how comic book films appropriate comics drawn imagery vandalize the fourth wall with the use of graphic text dissect the film frame into discrete panels and treat time as a flexible construct rather than a fixed flow among other things this cinematic remediation of comic books formal structure and unique visual conventions jeffries asserts fundamentally challenges the classical continuity paradigm and its contemporary variants placing the comic book film at the forefront of stylistic experimentation in post classical hollywood

monty python s flying circus aired from 1969 until 1974 but the conclusion of the series did not mark the end of the troupe s creative output even before the final original episodes were recorded and broadcast the six members began work on their first feature length enterprise of new material rather than string together a series of silly skits they conceived a full length story line with references to the real and imagined worlds of the mythical king arthur the lives of medieval peasants and the gloomy climate of 1970s britain released in 1975 monty python and the holy grail was a modest success but has since been hailed as a modern classic in a book about the film monty python and the holy grail all the references from african swallows to zoot darl larsen identifies and examines the cultural historical and topical allusions in the movie in this entertaining resource virtually every reference that appears in a scene whether stated by a character depicted in the mise en scène or mentioned in the print companion is identified and explained beyond the arthurian legend entries cover literary metaphors symbols names peoples and places as well as the myriad social cultural and historical elements that populate the film this book employs the film as a window

to both reveal and examine arthurian life and literature the historical middle ages and a great Britain of labor unrest power shortages and the common man introducing the reader to dozens of medievalist histories and authors and connecting the film concretely to the modern British Empire a book about the film Monty Python and the Holy Grail will appeal to fans of the troupe as well as medieval scholars and academics who can laugh at themselves and their work
